

# **NANTWICH PARK ROAD BOWLING CLUB**

## **PRIVACY NOTICE**

March 2022

In line with the General Data Protection Regulations enforced from 25 May 2018, Nantwich Park Road Bowling Club is committed to respecting the privacy of all its members.

Following an audit of club member's personal data the Management Committee can confirm that personal information held for each member is used purely for the efficient management of the Bowling Club. The information held is kept securely and not shared with any person or organisation outside of the sport of crown green bowling.

Selected personal data is shared with the Leagues and Counties Park Road Bowling Club is affiliated to and British Crown Green Bowling Association, all of whom have confirmed that they only use the data to enable them to effectively manage the sport of crown green bowling.

Members of Park Road Bowling Club have the right to ask for their personal data to be removed from the organisations that hold it. However, such a request may result in the cancellation of their club membership and their registration with a league and BCGBA.

Members who have joined a Social Media group should be aware of other club members rights to their privacy before making any posts, including pictures, without their permission.

A Latham, Hon. Secretary

On behalf of the Management Committee
